**PLEASE take NOTE of the Following:**

***Previously my medical history of CVA (and other serious disabling medical conditions “got the best of me”)... and Judge Levy “STRUCK” my documents from the District Court record in FWC #16-cv-10444 (Order # 2114 ). Which = failure to accommodate my “communication disability/ CVA”.***

***▶ The 6th Circuit Court of Appeal has NOT dealt with said matter; and, [I] certify that the filings presented have not been raised and disposed of in the Court of Appeals (but HAVE been disposed of in the district court) and that they set forth a claim for relief as well as the basis for that claim.***

***Respectfully Submitted.***
